Current Developments

Previous investigation reflects that Diego Borges may be identical with Diego E. Borges Torres, a Cuban exile, born [redacted]. As of 1963 he resided with his wife, Ordina Diaz, at 630 Northwest 25th Court, Miami. Previous investigation has reflected that Borges received military training under the Cuban Officers Training Program, and was honorably discharged from the United States Army on March 20, 1964, as a Second Lieutenant, [redacted]. At that time he was residing at 960 Northwest 4th Street, Miami.

b6
b7C

It appears that Herminio Diaz may be identical with Sandaio Herminio Diaz Garcia, also known as Herminio Diaz. Previous investigation has reflected this individual was born September 3, 1923, at Aguacate, Cuba. As of March, 1965 he resided at 1429 Southwest 2nd Street, Miami, rear upstairs apartment. He arrived in the United States July 3, 1963 from Cuba, seeking political asylum. He has been described as a fearless individual who is anti-Castro, although he formerly supported Castro.

2/15/65
Luis Clemente Posada Carriles is ^{possibly} undoubtedly identical with a person of the same name who was born [redacted]

b6
b7C

[redacted] Previous investigation has reflected this individual was in charge of a military training camp operated in Polk County, Florida in the Summer of 1964 by an anti-Castro organization known as Junta Revolucionaria Cubana (JURE). He was allegedly involved in a plot headed by Roberto Alejos Arzu, a wealthy Guatemalan exile in Miami, to overthrow the present government of Guatemala. This plot was aborted in May, 1965 before it got under way. Posada resides at 750 Northwest 14th Street, Miami.

Re: Frank Lang "Lefty" Rosenthal

~~SECRET~~

Ramon Escarda is ^{possibly} probably identical with Ramon Escarda Rubio, born [redacted] Previous investigation reflects this individual was also recruited to participate in the plot, above mentioned, to overthrow the Guatemalan Government. As of July, 1964, he resided at 620 Southwest 9th Street, Apartment 5, Miami. He served in the United States Army in 1958 and 1959 and had [redacted]
[redacted]

b6
b7C

Frank Tamayo is ^{possibly} probably identical with Francisco Rodriguez Tamayo, also known as Frank Tamayo and "El Mexicano". This individual was born [redacted] and presently resides at 3213 Southwest 8th Street, Miami. He formerly was a captain in the rebel army of Fidel Castro, but came to Miami as a "barbudo" shortly after establishment of the Castro government, and began to engage in anti-Castro activities.

On July 27, 1965, it was ascertained at the Dade County Auto License Bureau that 1965 Florida license 1W-86111 is registered to Roberta Rosenthal, 2123 Northeast 122nd Street, North Miami, for a 1964 Oldsmobile.

Previous investigation has reflected that Roberta Rosenthal is the wife of Frank Lang "Lefty" Rosenthal, who resides at the above address and is known to habitually drive the above-described automobile, which is light blue in color. Rosenthal is a sports handicapper for the Multiple Sports News Service, 1090 Northeast 79th Street, Miami. He has the reputation of being a gambler and hoodlum. Investigation has reflected he is a close friend and associate of leading hoodlums and jewel thieves in the Miami area. He came to Miami from Chicago and maintains close contact with leading gamblers and hoodlums in the Chicago area:

The purchasers were referred to the Barracuda Boat Sales Company of Hallandale, which is a retail outlet for boats manufactured by the Seabird Boat Manufacturing Company. On September 17, 1965, MM T-2 said that HERMINIO DIAZ is acquainted with Dr. ORLANDO BOSCH AVILA, head of an anti-CASTRO organization known as the Movimiento Insurreccional de Recuperacion Revolucionaria (MIRR), and that one of DIAZ's friends, a mulatto, had been observed by MM T-2 [redacted] on at least one occasion. RE: SANDALIO HERMINO DIAZ GARCIA
INTERNAL SECURITY - CUBA
NEUTRALITY MATTERS

It is noted that HERMINIO DIAZ participated in an attack against targets in Havana, Cuba, on November 14, 1965. On November 30, 1965 DIAZ admitted his involvement in the attack which he said was a joint operation of the 30th of November Revolutionary Movement and Commandos L.

b7E

The "Miami Herald" on May 30, 1966 contained an article reporting a press release issued by the General Staff of the Cuban Armed Forces. This release said that a Cuban Government anti-aircraft battery observed a launch landing infiltrators west of Havana at 11:15 p. m. on May 29, 1966. The launch fled after Cuban Government soldiers killed two infiltrators and a vessel of the Cuban Navy caught and sunk the launch about 10 miles off shore. Two other infiltrators were believed to have drowned after the launch was blown up by the Cuban Naval vessel.

The "Miami Herald" on June 1, 1966 published an article which identified six Cuban exiles as participants in the action which occurred on May 29, 1966 at Havana.
